“Foxy is such a beautiful woman and an incredible performer,” says [Nica Noelle](#). “As soon as I met her, I knew I wanted to do a movie focused entirely on her. She has such warmth and authenticity as a person, and as a performer she really gives everything to her scenes.”

Gorgeous TS Foxy knows what she wants – as much incredible sex as she can get, with the hottest guys she can find. In “Deep Inside TS Foxy,” viewers will follow this exotic yet adorable beauty, as she schemes to get what she needs from four of adult film’s hottest and most hung studs. With in depth interviews, behind the scenes footage, explosive sex scenes, and the seductive storylines TransSensual is known for, “Deep Inside TS Foxy” is a film fans will come back to again and again.

Noelle adds, “Foxy is truly a role model for women in the industry – trans or cis. It was a pleasure working with her on this film, and I hope to collaborate with her for many years to come.”

Inspired by Mile High Media and award-winning director Nica Noelle’s success with awarded gay romance studio Icon Male, and studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle’s distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.
