"Mia" is devoted to the incomparably stunning Mia Malkova. The must-have showcase features Mia in high-end locations with extended teases and intimate behind-the-scenes interviews. The movie also includes newcomer Staci Carr in a threesome scene with Mia, as well as a rare anal sex scene and Mia's second boy/boy/girl threesome. "Mia" is a visually stunning and unforgettable portrayal of a beautiful and extraordinary superstar.

"Star showcases are Mason's cornerstone," states Jon Blitt, head of production for O.L. Entertainment, the company behind award-winning studios Hard X and Erotica X. "She is a master at tapping into the raw sexuality of the girls she features and pulling the very best from them, and she's done it again with Mia Malkova."

"This is a career defining movie for Mia," adds Blitt.

In scene one, the blonde bombshell laces up her roller skates at the rink, showing off her signature moves. Staci Carr loves the way Mia moves and has to have a taste of her. Mick Blue joins them on the rink floor, where he and Staci make Mia's sexy skate dreams come true. To view the trailer, click [here](#).

Mia wanted her showcase to be truly memorable, so she offers up her booty in scene two. She gives her eye popping ass completely to Danny Mountain, telling him how much she wants him to fuck her tight little asshole. To view the trailer, click [here](#).

Good girl Mia has a darker side, which she shows off in scene three with the help of James and Ramon Nomar. Latex clad and primed for a Hard X fucking, Mia goes from her tease straight into the arms of two men. To view the trailer, click [here](#).

Mia's showcase concludes with an amazing poolside display of her fantastic ass. Erick Everhard gives her a good hard pounding before a climactic finish filled with some dirty talk from Mia's pretty little mouth. To view the trailer, click [here](#).

"Mia," like all Hard X and O.L. Entertainment productions, uses gorgeous locations and high-end production values to capture the beauty of the performers and the passion of the sex. In contrast to its sister studio, Erotica X, movies from Hard X include the wildest, kindest, and dirtiest sex available to fans, all featuring a trademark style developed by Mason.

Hard X's official membership website, www.HardX.com, features all of the studios new scenes upon release. Fans may now join the site to be among the first to see "Mia."
