In addition to TS performers Savannah Thorne and Natassia Dreams, “TS Stepmother” stars Nick Capra, Ty Roderick and Vadim Black in his TS scene debut.

“This is such an incredibly sexy cast,” says [Nica Noelle](#). “The film includes Vadim Black's very first TS scene. He and Savannah had such explosive chemistry, even when the cameras weren't rolling, they couldn't keep their hands off each other. Nick Capra is incredible in his scenes with Savannah and Natassia – he just keeps getting better with every performance.”

“Ty Roderick is such a unique and gifted performer,” adds Noelle. “He's become a big part of the team, and I know his fans are ecstatic when we get him in front of the camera. He's got an old time matinee idol screen presence. His scene with Savannah is one of the most passionate in the movie.”

In the first volume of “TS Stepmother,” beautiful Savannah is engaged to muscular Daddy, Nick, but she can't curb her insatiable appetite for hot younger men. When she meets Nick's son, Vadim, sparks immediately fly between the handsome young stud and the elegant TS goddess. Meanwhile, Nick has some secret vices of his own, and sneaks away for afternoon sex with exotic beauty Natassia.

Inspired by Mile High Media and award-winning director Nica Noelle's success with awarded gay romance studio Icon Male, and studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle's distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.
