Nica Noelle, who currently directs for Mile High Media studios Icon Male and TransSensual, helped create Sweetheart Video in 2008.

“This film is so special to me because not only is it my first Sweetheart film in four years, but Elexis Monroe stars in it,” says Noelle. “She’s always been an inspiration to me as a director because her artistry as a sex performer is second to none. It was wonderful to capture her magic on film again.”

In “A Mother’s Secret,” Elexis Monroe plays a newly-divorced mother struggling to forge a new life after her daughter (Kasey Warner) goes away to college. When the slender blonde teen comes home for winter break, she brings a new friend with her – mysterious brunette Sevilla (Ingrid Mouth). As Mom’s suspicions about her daughter’s relationship with Sevilla grow, the lonely older woman fights her own disturbing attraction to the sexy, young student.

“Ingrid is so compelling,” adds Noelle. “She just oozes sexuality, and that voice of hers - you melt into a puddle. But even though she has a very strong presence, there’s an underlying vulnerability, and that contrast is part of what makes her so intriguing. I wrote the role of Sevilla especially for her.

“Kasey was the heart of the production - she kept us all laughing on the late nights we worked. She’s beautiful, whip smart, has a fantastic attitude, and her sex scenes were perfect. I can’t wait to work with her again, and to just be around her and her amazing energy.”

“A Mother’s Love” also features Max Sargent and Tommy Regan in non-sex cameos. To view the trailer, visit <https://milehighmovies.wordpress.com/2016/04/27/director-nica-noelle-returns-to-sweetheart-video-first-look/>.

“To be able to shoot a girl/girl feature in New England was so gratifying -- having this backdrop of late autumn imagery,” explains Noelle. “I had never considered how weather and different seasons could enhance the overall feeling of a film. Now I can’t wait to shoot a summer romance... and spring and winter ones too.”

Sweetheart Video’s goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
