"This series is injected with a ton of drama, making it as compelling from a story angle, as it is from a sexual one," states Mile High Vice President Jon Blitt. "Katie and Elsa are fantastic as the dueling mother and daughter, and their emotions and passion carry over perfectly into their hardcore sex scenes."

Mothers and daughters have issues... lots of them, but none are more scandalous and cruel than the crumbling relationship on display in "Mother-Daughter Affair: Volume 3." Katie and Elsa are so much alike, yet they have to disagree on everything, especially men. The beautiful blondes sabotage each other's romantic interests – lying, cheating, and double-dealing.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
