Sweet Sinner welcomes fans to Dillion's World, as the wild, young star poses as a babysitter by day and a rock star by night. However, Dillion's world comes crashing down, when her boyfriend cheats on her, and then she is kicked out of the band. Luckily, she still has her day job, which includes a hot single father.

"Dillion Harper is one of the most impressive young performers in the industry, and we felt she would be the perfect star for the anticipated tenth volume of 'The Babysitter,'" says Mile High Vice President Jon Blitt. "This is a must-have addition to the series."

"The Babysitter: Volume 10" is directed by James Avalon and also stars Tyler Nixon, Michael Vegas, and Logan Pierce.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. ## About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN to name Mile High the 2012 Studio of the Year and most recently the receipt of FSC 2016 Production Company of the Year award.
